MODERN POSTCARD® TO EDUCATE WASHINGTON DC AND NEW YORK CITY PROFESSIONALS ON DIRECT MAIL MARKETING WITH ITS FREE NATIONAL SEMINAR

The California-based company will take its powerful seminar on the road to help professionals learn smart direct marketing tactics that target prospects, increase responses and boost sales.

CARLSBAD, Calif. (July 5, 2016) – Modern Postcard®, leader in direct mail marketing and quality printing for over 20 years, will offer its expert-led Direct Mail Crash Course (DMCC) in Washington, DC on July 19 and New York City on July 21. The Company encourages local marketers, executives and business owners to register and attend its renowned educational seminar to learn the best response-generating direct marketing practices. The event is completely free and attendees will leave with a complimentary \$250 print voucher to jumpstart their future direct mail campaigns. Visit modernpostcard.com/seminar to register at no cost.

Today, ineffective marketing can cost companies thousands of dollars, or even shut down business entirely. There's a misconception of direct mail being a marketing medium of the past, since recent studies not only prove it works, it is relevant and thriving. Direct mail outperforms all digital channels by nearly 700% in terms of response rates (*2015 DMA Response Rate Report*).

The DMCC seminar will not only cover direct marketing, but how to successfully integrate highly-targeted direct mail with digital marketing such as online, social, email and mobile. With 4 hours of valuable knowledge sharing, including real case studies, attendees will take home the industry's best kept secrets to launch powerhouse direct mail campaigns that get new customers, keep loyal followers and increase sales. Whether marketers are looking to improve their company's ROI, impress their CEO, or train their team, Modern Postcard stands as an experienced partner in direct marketing education and continued success.

Modern Postcard works with a diverse range of clients all over the United States, so hosting the DMCC seminar on the East Coast allows local businesses to get important face time, have their questions answered, and see what it is like to partner with The Company's in-house experts.

"Modern truly stands out from the competition because we offer a complete suite of direct marketing services, all under one roof. With strategy, lists, creative, printing, mailing and tracking, virtually any business can quickly and easily implement a successful direct marketing campaign," said Keith Goodman, Vice President of Corporate Solutions for Modern Postcard.

Both DMCC seminars will be held from 9:30 am – 2:30 pm, with check-in and registration taking place between 9:30 – 10:00 am. Each seminar includes free registration, complimentary breakfast and lunch, plus a printing voucher worth \$250 for future campaigns. Attendees are welcome to bring colleagues or their entire marketing team; however, all guests must register online prior to the event.
