

# PLACING LOVING DOGS IN FOREVER HOMES

Blue Paws Rescue  
1675 Faraday Ave | Carlsbad, CA 92008  
*Enter licensing info here.*

## **We only rescue and place dogs.**

Unlike other shelters, we have a single purpose and mission: help more dogs find their forever homes. Our approach is completely different than other shelters, and our “keep” rates are the highest we know of...almost 100%!

**Come into our facility, take a tour,  
and meet our dogs!**
