

The diagram shows a rectangular page layout. A large green rectangle is positioned in the upper-left portion of the page. To its left, a red dashed line runs vertically down the page. The area between the green rectangle and the red dashed line is labeled 'Danger Zone'. The green rectangle itself is labeled 'SAFE ZONE'. The text 'in this area may appear too close to trim' is located at the bottom of the diagram, spanning the width of the green rectangle.

← **SAFE ZONE** - All important elements should be within this area. This is also the minimum border width.

Danger Zone - Important layout elements

in this area may appear too close to trim
